DEDICATED-
ambassadors !

- As an ambassador, you are committed to improving palliative care for people with dementia.
- You work as a healthcare professional, either at in- or outpatient settings.
- You represent your team / care organization / practice.

The **DEDICATED-approach** supports caregivers in raising awareness of palliative care for people with dementia and their families.

The **DEDICATED-ambassadors** are motivated caregivers committed to spreading the DEDICATED-approach to colleagues both within and outside the organization.

DEDICATED-ambassadors are offered a two-session **in-person TRAINING** session, each lasting 3 hours containing:

1. Introduction to the DEDICATED-methodology
2. Role as a DEDICATED-ambassador

Six weeks after the training, there will be a half-hour online evaluation session.

The training is accredited, and having had the training, you will receive a certificate of participation.

CORE THEMES

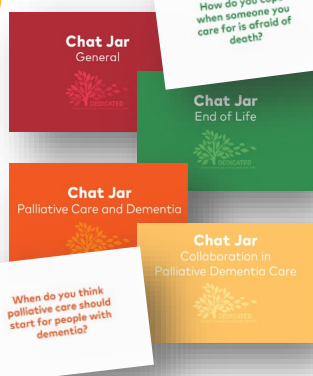

- Awareness
- Getting to know each other
- Proactive care planning
- Dealing with pain and incomprehensible behavior
- A warm handover during a move
